

## going deeper...

### ...around the kitchen table (for family *or* small group discussion)

- Read again Jesus' story in Luke 12:13-21. What was the rich man's biggest mistake? We can store up all kinds of things for ourselves — possessions are just one. Try and name 5 other "temporary" things that we store up for ourselves.
- Is there anything wrong with working for temporal things? Why or why not?
- The bible talks about what we must do to be saved for eternity. Explain in your own words what someone needs to do in order to be found not guilty by God and rewarded with heaven?

### ...in bible study (for small group discussion)

- How might it look like to "do good to others with eternity in mind" as opposed to simply helping others with no thought for eternity?
- What do you think God will say to us if we help other people without ever telling them about salvation?
- Living an increasingly godly life honors God. It also prepares us for eternity. How? And how might it help prepare others for eternity?
- What activities are you involved in that have eternity significance or consequences, either positive or negative?
- Every generation has been able to say that Jesus could come at any time. Why do you think God has not given us a more specific plan and timeline for the return of Christ? Why do you think God has waited so long before the return of Jesus?
- Are you scared of being judged by God? Why or why not?
- Why does God have to judge people, why can He not just send everyone to heaven?
- How do you think you can tell friends and family about the judgment they face without being judgmental?
- Share the names of people you know who do not know Jesus personally, then pray together for each of them.
- What one life choice has God spoken to you most clearly about during this series? What have you done about it? What will you do about it?
