Today's Study:
Talk is cheap under the sun.

# Life under the Sun

**Notes cont'd...**

**going deeper (for individual, family or small group study)**…

- What thoughts come to your mind when you read in verse 2, "God is in heaven and you are on earth, so let your words be few"?
- How often do you draw near to God to just listen to what he has to say to you? Try doing so for 10 minutes everyday this week and write down what you hear God saying and share it with someone you trust.
- What do you think "Talk is Cheap" means when it comes to talking to God?
- Are there areas of your life that you have not given over to the Lordship of Jesus? If so, take some time to talk to him about them and then listen to his response and obey what he says.
- Are you one of those Christians going through the motions of being religious with no sense of God's presence in your life? Read and reflect upon 1 Peter 2:9-10, writing down the things that he teaches you so that you can begin internalizing them.
- Read Ecclesiastes 5:1-7. Write a short paragraph using your own words to say the same thing.
- As a family or small group, how can you show your reverence for God?
- From your notes from the sermon, what was the one big thing that stuck out in your mind?
